**I understand that if I become injured or ill while at camp, the Health Supervisor is authorized to determine if I require care outside the bounds of that available in our wilderness setting. Due to de Benneville's isolation and elevation, any camper remaining ill for more than 12 hours may be asked to leave camp, and may return only with authorization from a physician. I have been made aware that it can take 45 minutes or more for paramedics to respond to a 911 emergency call. If road conditions are icy or hazardous, it can take substantially longer. I agree to follow the safety rules of the camp.**

This form is for use by the Health Supervisor during camp only. After camp, it will be shredded. We do not retain medical records for adult campers.

**I hereby give permission for the camp first aid person to provide routine health care and emergency medical treatment, including ordering x-rays or routine tests. I agree to the release of any records necessary for treatment, referral, billing or insurance purposes. I give permission to the retreat organizers or the camp staff to arrange necessary related transportation. In the event of an emergency, I hereby give permission to the physician selected by the retreat organizers or camp staff to secure and administer treatment, including hospitalization.**

**Although I understand that my medical information is being requested only so that medical treatment can be provided in case of an emergency, loss of consciousness or inability to make a decision on my own, and that not having this information may make it impossible for the Health Supervisor to provide appropriate medical care, I wish to decline to provide the requested medical information.**
