

**Camp de Benneville Pines**  
**2019 UU Senior High Summer Youth Camp**  
**Gender Inclusive Housing Policy**

Camp de Benneville Pines believes it is important that housing practices evolve to meet the needs of campers and to continue to create an inclusive, nurturing environment. It is our goal to provide an affirming, safe, and non-discriminatory camping experience that is welcoming to all gender identities, both transgender and cisgender identities.

Camp de Benneville Pines offers a Gender Inclusive Cabin option to campers who demonstrate a need for or an interest in such accommodation. This cabin is a space in which campers of any combination of biological sexes, gender identities or gender expressions choose to live together.

It is not permitted for any couple, heterosexual or LGBTQQI, to room together. We have a limited number of beds available and camp staff will make Gender Inclusive Cabin assignments based on need.

Campers under the age of 18 must have provided written consent from a parent/guardian before being assigned to a Gender Inclusive Cabin and we encourage all campers to maintain an open dialogue with their parents/guardians.

**Camper Affirmation:** *I understand that the purpose of a Gender Inclusive Cabin is to allow transgender, non-binary, gender nonconforming, and trans campers to be more comfortable in the cabin environment. I hereby agree to maintain an inclusive and welcoming living environment free of discrimination based on gender identity or sexual orientation. I further agree that failure to conduct myself in a respectful and non-aggressive manner could result in my being sent home from camp immediately and without any refund of registration fees.*
