

## Guidelines for Parents at UU Elementary Family Winter Camp

1. Parents and their children are expected to follow the Behavior Policies for Camp de Benneville Pines with the following modifications and additions.
2. Parents attending camp with children in 1st grade or lower must remain with their child throughout the day, unless they make arrangements with another parent to take turns accompanying each other's children to activities. Parents of children in 2nd grade or higher will be asked to assist at one workshop on Saturday and two workshops on Sunday. Camp has a particular need for people who enjoy being outside and supervising safe snow play.
3. All campers 2nd grade and higher are expected to adhere to all camp policies whether their parents are present or not. This includes attending all meals, workshops and worship, and following all camp rules. Children in 1st grade and lower are the primary responsibility of their parents. These children can miss the above events as long as they are with a parent or guardian, but still must follow all camp rules.
4. Children must never be alone at camp. They are to be in groups of at least three when on the trails and preferably with 2 others (either counselors, adult program staff, or parents/guardians). They are not to be in cabins without an adult.
5. Counselors are trained staff members responsible for running camp. If you have an issue with a counselor or a concern regarding a camper, please raise it with that counselor as a peer. If the issue is not resolved to your satisfaction, bring it to the attention of the Camping Ministries Director.
6. We strongly encourage remaining on camp grounds throughout the duration of camp. If there is a reason you want to leave camp, you are required to sign out with the Camping Ministries Director or the Family Cabin Counselor.
7. Each cabin is responsible for keeping its own porch swept/shoveled of snow and for setting up for one meal during the weekend as indicated on the schedule.
8. Vehicles must be parked in the lower lot, facing out. Drivers must keep their keys on their person in case of emergency evacuation.
9. Due to fire restrictions, there is no smoking at camp and no burning of incense or candles in any building.
10. Everyone must participate in the fire drill.
11. Technology: Let's leave it in the room! Family camp is a time to play with our kids, enjoy quality family time, and connect with other families. Please leave cell phones, laptops, DVD players, etc., tucked away in your suitcase.
12. Parents must attend cabin meetings and are encouraged to adhere to cabin times whether they are there with elementary camper's younger siblings or there with only independent elementary campers in counselor cabins. The sled run is closed during cabin time.
13. No drugs or alcohol are allowed at any Camp dBP UU Youth Camps. Any alcoholic beverages must be turned into Camp de Benneville management to be secured safely and returned at the end of camp.
14. Due to state regulations, all prescription and over-the-counter medications must be turned in to our Camp Nurse during camp check-in. The use of all medications is to be monitored by the camp health professional and adult staff. Medications must be in their original packaging.

I have read, and agree to abide by, the Parent Guidelines.
